Compatible Cistern(s)	FL2022, FL2024, FL2026, FL2028, HC2036, HC2037, HC2030
Type of Flushing	Rimless technology

DESCRIPTION

The INDIGO back to wall rimless pan has a stunning curved design which matches the furniture perfectly.

The open rim design is not only a lovely modern feature, but it will also make cleaning quick and easy.

Create a tidy bathroom space and opt for a back to wall pan; you can hide the cistern by having it built into the wall or a WC unit as well as save on floor space.

*Seat sold separately
Compatible seat: INDTS01

For optimal performance, we recommend pairing back to wall rimless pans with a high-level concealed cistern set at 6/3lt flushing.

See our FLUSHE 2.0 range for compatible WRAS approved concealed cisterns.
