## DESCRIPTION

The COS collection was designed to create brassware that was both modern and classic to suit any style of bathroom.

A COS bottle trap in chrome is the perfect finishing touch to your bathroom. If you're opting for a wall mounted washbasin on its own, a bottle trap will instantly give it a sophisticated look whilst still providing practicality. It can be cut down in height and in projection, so you can make sure it precisely connects with your basin and basin waste.
