DESCRIPTION

The REGENCY collection was inspired by art deco design features as we wanted to create a range that could work in both modern and traditional bathrooms; we feel that this range does just that.

The black granite design with a satin finish mimics the popular terrazzo patterns seen in bathrooms, plus it brings a subtle modern element to the collection.

This REGENCY 90cm no tap hole countertop features a 12mm upstand and it is 25mm thick. Pair it with our REGENCY 90cm floor standing unit.
