

Aftercare Instructions

Do not scrub or scour the surfaces – we recommend a soft damp cloth for cleaning and a mild soap solution.

Do not use bleach, neat disinfectant or household bathroom cleaners as these are not suitable for this product.

Do not stand on the lid or the ring of the toilet seat.

Soft Close Toilet Seat INSTALLATION INSTRUCTIONS

Prior to installation ensure all components are present.

1. Unscrew components #1 and #2 from #3.
Insert #3 through opening of #4 and #1, hand tighten to #2.
Direct components #2 and #3 through the hole in the pan.
2. Temporarily fix the seat.
3. Adjust the seat accordingly to fit the pan.
4. Tighten the screws as much as possible in position, then remove seat by pressing the release button and lifting of evenly.
5. Tighten screws, ensuring the fixing does not move position.
Place cover cap #5 on top.
6. For cleaning and maintenance, push the button to remove the seat.
