

Aftercare Instructions

This product has a high quality, durable finish which in order to preserve, should be treated with care.

Clean with a soft damp cloth only.

Cleaning products, including non-scratch ones could damage the chrome surface.

INSTALLATION INSTRUCTIONS

1. Measure the distances (A&B) between fixing holes and mark on the wall, at the intended height.
2. Undo the grub screws and remove the wall brackets from the back of the heated towel rail.
3. Drill holes in the wall, insert the wall plugs and secure the wall brackets using screws provided.
4. When fixing the cable, first slide on the metal sheath and use the appropriate wall bracket to allow the cable to pass through.
5. Slot the heated towel rail onto the brackets and tighten in the grub screws.
